

GENERAL CHAIRMAN KRISTI FERNTHEIL

Kristi grew up in a neighboring town and moved to Temple City in 1981 and has been here ever since!

Kristi and her husband, Bert, are both retired teachers from the Temple City Unified School District. Kristi taught Math and Auxiliaries, while Bert taught Band and Orchestra. Kristi and Bert have two children, Maggie and Jake, who both attended Emperor, Oak Avenue, and Temple City High School.

Kristi and her family have marched in the Camellia Parade many times over the years....often marching with two different groups in the same parade! The Ferntheils are firm believers that when our youth are involved in positive, well-run, and nurturing activities, they acquire skills and a sense of belonging which leads them to becoming productive adults.

Kristi would like to thank the many volunteers that make the Camellia Festival possible, along with all the groups participating in this 80th Temple City Camellia Festival Parade!
