

The Festival Committee has selected Dave Smith, who has now retired as manager of The Hat in Temple City, as this year's Honorary Grand Marshall. Dave and his wife Linda moved to the area in 1974 where they raised their three daughters in Temple City Schools. While this is the second time Dave has been honored, the Committee felt that they could not pass up on the chance to recognize Dave for his years of support to local youth groups, schools, and other organizations in Temple City. They hope the community will join them in sending Dave off to enjoy his retirement.
