CamelliaFestival.org

Since 1944, the mission of the Temple City Camellia Festival has been to "promote the desire in every child to participate in the affairs of the community."

Although the Festival enjoys the official sponsorship and support of the City of Temple City, this beloved tradition is organized and operated by dedicated volunteers and is entirely self-funded.

We invite you to be part of the 83rd Temple City Camellia Festival, February 26–28, 2027, by becoming a sponsor or placing an advertisement in our collectible Parade Program. Your support helps keep this cherished community tradition alive while giving local businesses and organizations an opportunity to connect with our community. Festival proceeds are returned to the youth of Temple City through donations to local youth groups and youth-focused nonprofit organizations. Your participation helps us continue our mission of encouraging young people to become active, engaged members of our community.

Thank you for supporting the Temple City Camellia Festival and helping us carry this special tradition forward!
