

THEME WINNER

GISELLE LI

Giselle Li is a 6th grader at Emperor Elementary which she has gone to school since she was in kindergarten. Giselle has 4 siblings that also go to Emperor. Her favorite sport is Volleyball and she loves playing it with her friends and family! Another hobby of hers is drawing. She also loves playing the flute, and it is the music and sound that inspired her to enter "Music" as a theme.

She is very excited to ride in the parade and wave to her friends and family. This year will be very memorable for her because she has never been to the Camellia Festival. She can't wait!
